Re: Docket No. UT-970360
Request for Approval of Amendment to the Interconnection Agreement
between Qwest Corporation and Marathon Communications, Inc.

Dear Ms. Washburn:

In accordance with WAC 480-07-640, Qwest submits an original and two (2) copies of the following amendment for Commission approval: Qwest DSL (with discount) provided with UNE-P Amendment to the Interconnection Agreement between Qwest Corporation ("Qwest") and Marathon Communications, Inc. This amendment adds terms, conditions and rates for Qwest DSL (with discount) provided with UNE-P. Qwest has also enclosed a Request for Approval form, completed per the informal request of Commission Staff on May 12, 2004.

The enclosed Amendment does not discriminate against non-party carriers. It is consistent with state and federal law, and is in the public interest.

Qwest respectfully requests that the Commission approve this Amendment expeditiously.

Sincerely,

A handwritten signature in black ink, appearing to read 'Adam', followed by a long, horizontal, sweeping line that extends across the width of the signature area.
