Re: Docket No. UT-980390
Request for Approval of Amendment to the Interconnection Agreement
between Qwest Corporation and Advanced TelCom Group, Inc.

OFFICE OF THE SECRETARY
WASHINGTON UTILITIES AND
TRANSPORTATION COMMISSION

Dear Ms. Washburn:

In accordance with the Interpretive and Policy Statement issued on June 28, 1996 in Docket No. UT-960269, please find enclosed an original and five (5) copies of the UNE Combination Rates Amendment to the Interconnection between Qwest Corporation ("Qwest") and Advanced TelCom Group, Inc. This amendment addresses rates for UNE Combinations.

The enclosed Amendment does not discriminate against non-party carriers. It is consistent with the public interest, convenience, and necessity. It is also consistent with applicable state law requirements, including Commission orders regarding interconnection issues. Qwest respectfully requests that the Commission approve this Amendment expeditiously.

The Order on Arbitration Procedure also requests that a proposed order accompany the filing. Qwest requests a waiver of that requirement, and is not providing one with this filing, as the Commission has, in the past, used its own format for Orders. If this is not satisfactory to the Commission, please contact me and I will forward a proposed order immediately.

Sincerely,

Elizabeth M. Weber

**UNE Combinations Rates Amendment
To the Interconnection Agreement
between
Qwest Corporation
and
Advanced TelCom Group, Inc.
For the State of Washington**

This Amendment ("Amendment") is to the Interconnection Agreement between Qwest Corporation ("Qwest"), a Colorado corporation, and Advanced TelCom Group, Inc. ("CLEC"), a Delaware corporation.

RECITALS

WHEREAS, the Parties entered into an Interconnection Agreement that was approved by the Washington Utilities and Transportation Commission ("Commission") on December 9, 1998, as referenced in Docket No. UT-980390 (the "Agreement"); and

WHEREAS, the Parties entered into an Unbundled Network Elements Combinations ("UNE Combinations") Amendment, for service in the state of Washington; and

WHEREAS, the Parties wish to update the UNE-P Centrex rates associated with the aforementioned UNE Combinations Amendment as contained herein.

AGREEMENT

NOW THEREFORE, in consideration of the mutual terms, covenants and conditions contained in this Amendment and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. Amendment Terms

The Unbundled Network Elements Combinations ("UNE Combinations") Amendment is hereby amended to reflect the updated UNE-P Centrex rates, as set forth in Exhibit A to this Amendment.

2. Effective Date

This Amendment shall be deemed effective upon Commission approval; however, the Parties may agree to implement the provisions of this Amendment upon execution. To accommodate this need, CLEC must generate, if necessary, an updated Customer Questionnaire. In addition to the Questionnaire, all system updates will need to be completed by Qwest. CLEC will be notified when all system changes have been made. Actual order processing may begin once these requirements have been met.

3. Further Amendments

Except as modified herein, the provisions of the Agreement shall remain in full force and effect. Neither the Agreement nor this Amendment may be further amended or altered except by written instrument executed by an authorized representative of both Parties. This Amendment shall constitute the entire Agreement between the Parties, and supercedes all previous Agreements and Amendments entered into between the Parties with respect to the subject matter of this Amendment.

The Parties intending to be legally bound have executed this Amendment as of the dates set forth below, in multiple counterparts, each of which is deemed an original, but all of which shall constitute one and the same instrument.
