Re: *Local Competition/TRRO Docket*, Docket No. UT-053025

Dear Ms. Washburn:

This letter confirms (1) Qwest correctly states in its letter of November 3, 2006, in the above-referenced proceeding that in light of the additional information that Qwest provided concerning the fiber-based collocators in Qwest's Olympia Whitehall wire center, the Joint CLECs no longer dispute Qwest's classification of that wire center as a Tier 1 wire center; and (2) because the Joint CLECs have previously and extensively addressed the issues raised in Qwest's Petition for Reconsideration of Order No. 4, the Joint CLECs did not file a response to that Petition, but they nevertheless adhere to the position on those issues that the Joint CLECs have consistently maintained throughout this proceeding.

Please contact me if you have any questions regarding the Joint CLECs' position.

Very truly yours,

Davis Wright Tremaine LLP
