RE: Docket Number 030614
SUBJECT: Qwest – **Dial Tone** De-regulation

To Whom It May Concern:

I am compelled to write to you with regards to the looming potential pending issue of unregulated local business **dial tone** rates for Qwest. I know if Qwest is allowed de-regulation that my small business and all the other small businesses rates will skyrocket. You as the controlling body must **CONTEST/RESIST** any changes with your authority of control.

I feel there is not adequate rivalry in this business area of telephone service to guaranty to keep my service cost from accelerating dramatically. I strongly **OPPOSE UT 030614** to be rated as competitive for Qwest business service.

You are aware of the old saying – Give An Inch and They Take A Mile.

Please resist the pressure that you are under and take into consideration small business.

Sincerely,

P&G LANDSCAPING, INC.
