Dear Sirs,

Please make every home and trailer in Point Roberts pay nominal fee for garbage service!!!!!!!!!!!!Otherwise people ,mostly visitors/trailers and cabins owners/ dump it along the roads or burn it!!!!!!!!!!!!

This will make it feasible to deliver curbside collection for Point Roberts Recycling and Refuse.They were serving our community well for years.

The other applicant does not have experience or track record.We should be carefull!!

Sincerely

Andrew Zablocki,Point Roberts resident,Whatcom county taxpayer
