RE: *Washington Utilities and Transportation Commission v. Puget Sound Energy*,
Docket UG-230393

TO ALL PARTIES:

On May 25, 2023, Puget Sound Energy (PSE or Company) filed with the Washington Utilities and Transportation Commission (Commission) revisions to its currently effective natural gas tariff WN U-2. PSE characterized its filing as establishing a new tariff schedule, Schedule 141LNG – Liquefied Natural Gas Rate Adjustment, made pursuant to the Commission’s final order in Dockets DE-220066 and UG-220067, PSE’s last general rate case.

On July 3, 2023, the Commission issued Order 03, Prehearing Conference Order; Notice of Hearing, which established a procedural schedule. The procedural schedule allowed for a public comment hearing to be scheduled at a later date.

The Commission now establishes the time for a virtual public comment hearing to provide members of the public with an opportunity to present oral comments to the Commission on the issues raised in these matters. To participate by phone, please call (253) 215-8782 and enter Meeting ID: 867 8437 7255# and Passcode: 570072#. To participate Via Zoom, please use the following link: [Click here to join meeting](#).¹
