RE: *Washington Utilities and Transportation Commission v. Puget Sound Energy,*
Dockets UE-240729 and UG-240884

TO ALL PARTIES:

On September 30, 2024, Puget Sound Energy (PSE or Company) filed with the Washington Utilities and Transportation Commission (Commission) in Docket UE-240729 a proposed revision to rates under the established Colstrip Adjustment Rider Schedule 141COL. PSE requested a revenue increase of \$4.1 million, or 0.14 percent, which for the typical residential customer using 800 kWh per month would be a rate increase of \$0.18 or 0.16 percent. Under the initial filing, the rate increase became effective January 1, 2025.

On November 15, 2024, PSE filed with the Commission in Docket UG-240884 proposed revisions to rates charged under its natural gas Tariff WN U-2, Schedule 111, the Greenhouse Gas Cap and Investment Adjustment, filing replacement pages on December 3, 2024.

On December 19, 2024, both of these matters came before the Commission at its regularly scheduled open meeting.

The Commission gives notice that it will hold a combined virtual public comment hearing on Thursday, August 28, 2025, at 6 p.m., regarding Dockets UE-240729 and UG-240884 to provide members of the public with an opportunity to present oral comments to the Commission on the issues raised in these matters.
