**SCHEDULE 307
RESIDENTIAL SERVICE TIME-OF-USE**

(N)

AVAILABILITY:

1. Service under this Schedule is available to a Customer eligible to receive Electric Service under Schedule 7, provided that the Company determines, to its satisfaction, that metering equipment adequate to implement this Schedule is available for the Customer.
2. Service under this Schedule will be available on or after October 1, 2023.
3. Participation in Schedule 307 is limited to a total of 2,000 Customer accounts.
4. The Company has sole discretion to limit and control individual Customer participation based on the need/criteria to conduct studies/measurement and evaluation of participant responses.
5. A Customer taking service under Schedule 171 will not be eligible for this service.

APPLICABILITY: Except as otherwise provided by this Schedule, Electric Service under this Schedule shall be available on the terms and conditions set forth in Schedule 7.

ENROLLMENT: The Customer must complete the Company's enrollment process to participate in this service. Initiation of service under this Schedule will occur following acceptance and processing of the enrollment request by the Company.

TERMS AND CONDITIONS:

1. The Customer must consent to be contacted by the Company, its affiliates, or third parties for the purposes of load and program studies.
2. The Customer must provide the Company access to the meter. Should any meter fail to register or register accurately the amount of electricity used by the Customer during On-Peak and Off-Peak time periods, the amount of such use will be estimated by the Company from the best available information, as determined by the Company.
3. The Customer must consent for their individual usage to be studied in order to provide feedback to the customer on their usage and how they may optimize potential savings by changing usage behavior.
4. The Customer may qualify to receive a one-time credit of \$25 upon completion of an enrollment survey if selected by the Company to participate in such a survey.
5. By virtue of this open availability and corresponding funding by Customers, as well as this service being part of the Company's primary purpose, Customers are deemed to be subscribing to this service, and the Company may disclose customer information to third parties when necessary to perform and operate this service.
