RE: *Washington Utilities and Transportation Commission v. Puget Sound Energy.,*
Docket UE-220066, UG-220067, and UG-210918 (*Consolidated*)

TO ALL PARTIES:

On December 22, 2022, the Washington Utilities and Transportation Commission (Commission) entered Order 24/10, Rejecting Tariff Sheets; Approving Settlements, with Conditions; Authorizing and Requiring Compliance Filing (Order 24/10) in consolidated Dockets UE-220066, UG-220067, and UG-210918 (Dockets). Order 24/10, among other things, accepted the Revenue Requirement Settlement's terms, which modified Puget Sound Energy's (PSE) proposed time varying rates (TVR) pilot program and required PSE to propose a full opt-in TVR program in its next general rate case. It also required PSE to establish new optional Time of Use (TOU) rate schedules as a part of PSE's TVR pilot.

On February 22, 2023, PSE filed its revised tariff sheets establishing optional TOU rate schedules to comply with Order 24/10, with a stated effective date of March 24, 2023.

On March 22, 2023, Commission staff (Staff) filed a letter in this docket stating that Staff had reviewed the revised tariff sheets and believes the filing complies with the terms of Order 24/10.

The Commission accepts that the revised tariff sheets filed on February 22, 2023, by PSE comply with Order 24/10 and may go into effect on March 24, 2023.
