**Re: Application for an Order Approving Boundary Adjustments
Docket No. UE-060169**

Dear Mr. Danner:

Enclosed please find the original and twelve (12) copies of Puget Sound Energy, Inc's (the "Company" or "PSE") Application for an Order Approving an Amendment to the Service Area Agreement with the Port of Seattle ("Application"). Also enclosed is the First Amendment To Service Area Agreement between PSE and the Port of Seattle (the "Port").

The Commission approved the existing Service Area Agreement ("SSA") between the Port and PSE on March 15, 2006 in Docket No. UE-060169. The SSA has a term of twenty-five years and an expiration date of March 15, 2031. As discussed in the Application, PSE and the Port have entered into a ground lease in an area that is within the Port's service area; however, PSE can more easily provide service to the location.

PSE plans to break ground on July 1, 2012 and desires electric service on that date. Therefore, PSE desires that the provider of electric service that is addressed by the attached Application be resolved as soon as reasonably possible. To expedite this Application and since the Application does not involve changing the provider of electric service to any customer(s), only affects PSE and the Port, and is supported by the Port and PSE, the Company respectfully requests that the executive secretary issue the order regarding this amendment, in accordance with WAC 480-07-904(1)(i).
