Before you allow them to raise their fees,  
please review a specific policy of theirs.  
Every other Wed. [2nd & 4th] their Recycle truck picks  
up between 10:00 am & noon. Sometimes they  
have missed me even though the large can has  
always been right at the edge of the road [111<sup>th</sup> ave. E].  
When I have called, the same day, their response  
has been - "there will be an \$8.00 fee" - to correct  
their mistake! Their response was "none of us is  
perfect". They refused to give me the name of the  
driver. Thus I was obliged to stop the recycle  
service, for which I must pay anyway, & pay extra  
for a second 32 gal [?] garbage can. I believe  
in recycling & think the populace should be  
encouraged to do this by the elimination of the above  
mentioned policy which is self serving by the  
Company & certainly not customer friendly.  
\* to pick up the recycle rather than wait another 2 weeks.

Thank you

Richard Andrus
