RE: *In the Matter of the Petition of i-wireless, LLC for an Exemption from WAC 480-123-030(1)(d), (f) and (g), and Designation as an Eligible Telecommunications Carrier,*  
Docket UT-101640

TO ALL PARTIES:

The Washington Utilities and Transportation (Commission) entered its Order 01, Order Granting i-wireless, LLC (i-wireless or the Company) the Exemption from Provisions of WAC 480-123-030(1)(d), (f) and (g), and Designation as an Eligible Telecommunications Carrier in Docket UT-101640 on September 13, 2012.

The Order requires the Company to meet 21 conditions to be classified as an Eligible Telecommunications Carrier, and directs the Company to submit compliance filings with regard to several of the conditions. Among others, Condition #2 requires the Company to submit data for Commission approval before it can begin offering service in the state of Washington. Condition #10 requires the Company to work with the Department of Social and Health Services (DSHS) to establish a procedure to verify the Company's Lifeline customers' eligibility. The Order authorized the Commission's Executive Director and Secretary to approve the required compliance filings, by letter, if the Company complied with the terms of the Order.

On September 26, 2012, i-wireless submitted a compliance filing pursuant to Washington State Condition #2 of Commission Order 01 (Appendix B) in this docket, for approval by the Commission. The Company's compliance filing contains a copy of i-wireless's Lifeline rate plans, terms and conditions, proposed language to be used in marketing and advertising material, and its Lifeline Customer Enrollment Form. After Commission Staff reviewed the compliance filing and discussed it with the Company's representative, i-wireless submitted revisions to the compliance filing on October 18, 2012. Staff finds that the

Company's final revised compliance filing is satisfactory and meets the condition set forth in the Commission's Order 01. On October 22, 2012, Commission Staff submitted a letter recommending the Commission approve the compliance filing.

i-wireless also informed the Commission that it has contacted the Department of Social and Health Services (DSHS) to obtain access to the DSHS database to verify its Lifeline customers' eligibility. This complies with Condition #10 of Commission Order 01.

The Commission has examined i-wireless's compliance filing and subsequent revisions and finds the Company's compliance filing meets Condition #2 and Condition #10 of Commission Order 01.

Sincerely,

DAVID W. DANNER  
Executive Director and Secretary
