**NOTICE SUSPENDING PROCEDURAL SCHEDULE
AND CANCELING BRIEF ADJUDICATION FROM CALENDAR**

RE: *In the Matter of the Penalty Assessment Against Beeline Tours Ltd.,
in the Amount of \$3,300; Docket TE-110155*

TO ALL PARTIES:

On March 1, 2011, the Washington Utilities and Transportation Commission (Commission) assessed a penalty of \$3,300 against Beeline Tours Ltd. (Beeline or Company). Beeline timely requested a mitigation hearing but did not specify why it asked for a lesser penalty.

On March 30, 2011, the Commission entered a Notice in this matter setting a schedule for the company to state its reasons in support of the mitigation request and allowing Commission Staff an opportunity to respond. In addition, the Notice set 1:30 p.m. on May 12, 2011, as the time for parties to present their oral statements.

On May 5, 2011, all parties to this matter filed a Settlement Agreement and supporting Narrative. The parties agree the Commission should approve and adopt their proposed settlement to resolve all issues in this docket.

THE COMMISSION GIVES NOTICE That it suspends the current procedural schedule in this docket. The brief adjudication scheduled for May 12, 2011, is canceled and no party need appear on that date. The Commission will review and consider the parties' proposed settlement documents and, in accordance with WAC 480-07-740(1)(d), anticipates issuing an order without need for a settlement hearing.

Sincerely,
