NOTICE OF WITHDRAWAL OF RULEMAKING

RE: Rulemaking to Implement Chapter 214, Laws of 2011, Regulating Wastewater Companies, Docket US-111021

TO ALL INTERESTED PERSONS:

On June 22, 2011, the Washington Utilities and Transportation Commission (Commission) filed with the Code Reviser a Preproposal Statement of Inquiry (CR-101) to consider adopting rules to implement Chapter 214, Laws of 2011, which establishes the regulation of wastewater companies as private utilities.

Section 29(2) of Chapter 214, Laws of 2011, authorizes the Commission to collect payments from wastewater companies and other private entities that have notified the Commission of their willingness to cover the costs of this rulemaking. To date, the Commission has not received any statements of intent from companies or other private entities to participate financially in this rulemaking.

The Commission has determined, based on the lack of interest in this rulemaking, to close this proceeding without taking further action.
