- 1     Administrative Law Judge Gregory J. Kopta entered Order 02, Initial Order of Default and Dismissal of Brief Adjudicative Proceeding, in this docket on December 15, 2011.
  
- 2     No party petitioned for administrative review of the initial order within the time for filing petitions for administrative review or received an extension of time to file such a petition. The Washington Utilities and Transportation Commission (Commission) did not give notice of its intention to review the order on its own motion.
  
- 3     Therefore, under RCW 80.01.060(3), the order became final on January 5, 2012, by operation of law.
  
- 4     In allowing this order to become final, the Commission does not endorse the order's reasoning and conclusions. If cited in the future, the order must be identified as an Administrative Law Judge's order.

Sincerely,
