RE: Notice of Intent to Send to Collections, Penalty Assessment No. TV-120947

Dear Sir or Madam:

As you are aware, on July 24, 2012, the Washington Utilities and Transportation Commission issued a Penalty Assessment against T&S Transportation & Installation, Inc. (T&S) in the amount of \$2,100 for violation of WAC 480-15-480, which requires household goods carriers to file an annual report with the Commission by May 1 each year. On August 3, 2012, T&S requested mitigation of the penalty amount. On August 28, 2012, the Commission granted partial mitigation from \$2,100 to \$1,050 on condition that T&S paid the mitigated penalty within 15 days following the date of Order 01. After a further request for mitigation, which was denied, T&S submitted a partial payment of \$250 and requested payment arrangements for the remaining \$800 balance. On October 30, 2012, the Commission issued Order 03, adopting the payment plan agreed to by Staff and T&S on condition that if T&S missed any installment payments the entire remaining balance would become due and payable immediately. T&S missed the payments for December 15, 2012 and January 15, 2013, leaving a remaining balance of \$550 due and payable immediately.

The Commission has not received the \$550 payment due and owing.

This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection. You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$550 balance.
