3 The administrative rules at issue are WAC § 480-07-340, -355.

4 ICNU is an incorporated, non-profit association of large industrial electric
customers in the Pacific Northwest. A list of ICNU members is included as Attachment A.
Many members of ICNU purchase power distribution and transmission services from Puget
Sound Energy (“PSE” or the “Company”), as indicated on Attachment A.

5 ICNU’s member companies served by PSE have a substantial interest in PSE’s
proposed adjustments to its electric cost of service, rate spread, and rate design, as set forth in its
Petition filed on July 1, 2014. The Company’s proposed adjustments would substantially and
directly affect ICNU members who purchase power from PSE. ICNU requests leave to intervene
in this proceeding to represent its members who would be affected by the proposed changes to
PSE’s cost allocation.

6 As described above, ICNU has a direct and substantial interest in this proceeding
that will not be adequately represented by any other party, and may be affected by any
Commission determination made in connection with this proceeding. It is in the public interest
to allow ICNU to intervene in this proceeding. ICNU therefore requests that the Commission
grant its Petition to Intervene and make ICNU a party to this proceeding.

7 WHEREFORE, ICNU respectfully petitions the Commission for leave to
intervene in this proceeding.

Dated this 8th day of July, 2014.

Respectfully submitted,

DAVISON VAN CLEVE, P.C.
