**Re: UG- 170670 Advice No. W17-06-01, Supplementary Filing**

On May 31, 2017, Cascade Natural Gas Corporation (Cascade or the Company) filed Advice No. W17-05-01, which was docketed as UG-170670. Upon Staff request, the Company now files the following **replacement** sheet stated to become effective with service on and after June 30, 2017:

**Fourth Revision Sheet No. 302-A**

All other sheets submitted with the initial filing **remain** as filed.

The purpose of this supplemental filing is to correct errors on Sheet 302-A. First, a missing margin code is added. Second, the page is reformatted so that all the text on the page fits within the margins. Finally, the demand control ventilation measure is corrected as being an incentive of \$20, not \$12, as stated in the support material, and margin codes denote this is a new measure.

This submission includes the following two files, which are revised Sheet No. 302-A and the legislative version of Sheet 302-A:

UG-170670, CNGC 302-A Trf, 6.15.17.pdf  
UG-170670, CNGC 302-A Leg Trf, 6.X1517.pdf
