COMMISSION

Item 100 Recycle Service only-Residential Service-Monthly Rates

Dear Secretary:

Enclosed herewith are proposed tariff 12, page 1 and page 21, issued August 17, 2018 to become effective August 1, 2018.

The increase (cost only) is due to dramatic increases in costs of recycling commodity charges to the Company. These revised tariff pages, if approved by the commission, would increase Company revenue and collection rates by approximately \$66,000 (4.4%). Our last general rate case was in 2009. Approximately 1,700 customers could be affected by this rate adjustment(approx \$3.15 per month). We are requesting that the proposed adjustment to these customers become effective on September 1, 2018.

In conjunction, we submit the following in regards to the revised pages.

Copies of revised pages  
Example of customer notice on customer billing  
Accounting workpapers (Excel) for calculations  
Financial information for the Company  
Supporting Invoices for commodity charges

We would like to thank Danny Kermode, Assistant Director, Solid Waste for his help in this item. If we can provide any further information, please call Bob Cole at 425-882-3118 or 206-498-5135.

Sincerely,  
Robert C. Cole
