**NOTICE RESCHEDULING SECOND PREHEARING CONFERENCE
(Now set for Monday, April 29, 2019, at 2 p.m.)**

RE: *City of Monroe v. BNSF Railway Company*, Docket No. TR-190081

TO ALL PARTIES:

On February 4, 2019, the City of Monroe filed with the Washington Utilities and Transportation Commission (Commission) a Petition to Install Median Barriers at a Highway-Railroad Grade Crossing at Kelsey St., USDOT 084565X, in Monroe (Petition). BNSF Railway Co. (BNSF) opposed the Petition.

On March 14, 2019, the Commission convened a prehearing conference in this docket. During the prehearing conference, the parties agreed that the procedural schedule should be held in abeyance while the parties continue settlement negotiations.

On March 15, 2019, the Commission entered Order 01, Prehearing Conference Order; Notice of Second Prehearing Conference (Order 01). Order 01 scheduled a second prehearing conference for April 15, 2019, to allow the parties additional time to negotiate an agreed outcome.

On April 11, 2019, Commission staff (Staff) contacted the presiding officer and requested on behalf of the parties that the Commission postpone the second prehearing conference until April 29, 2019, to facilitate further settlement discussions.

Based on the parties' agreement, the Commission finds good cause to reschedule the second prehearing conference for **Monday, April 29, 2019, at 2 p.m.**

THE COMMISSION GIVES NOTICE That the second prehearing conference in Docket TR-190081 is rescheduled for April 29, 2019, at 2 p.m.
