RE: Docket #UW-191063

This is a request to file for an extension to finalize financing for water treatment plant for Silver Lake Water.

Please refer to the update submitted on August 5, 2020, showing the approval from Savi Bank.

Our office is waiting for August 2020 financials to be available to be able to:

- Complete a "to-do" list from Savi Bank for the water treatment plant loan,
- Create a forgiveness letter for the Water and Wastewater Services PPE loan.

The August financials should be available very shortly.

Progress that has been reported is the skid/treatment filters have been delivered to Trico Companies who has been contracted to do the construction of the water treatment plant.

Thank you.
