RE: Commission Staff’s Letter Confirming Compliance
DG-210184– North Sky Communications, LLC - Investigation # 8230

Dear Ms. Maxwell

Commission staff (staff) has reviewed the compliance order for North Sky Communications, LLC (North Sky or Company) dated April 6, 2021. Compliance with the order required the Company to pay a \$10,000 penalty for one violation of RCW 19.122.

On April 22, 2021, the Company submitted a request for mitigation to the Commission. On May 18, 2021, the Company submitted a \$7,500 payment (*\$2,500 portion of that payment was applied to docket DG- 190624 and that case was closed*).

On June 14, 2021, the Commission issued an order denying mitigation imposing the \$10,000 penalty and suspending a \$5,000 portion of the penalty amount for 12 months on the condition North Sky has no further violations of 19.122.

Staff believes North Sky has fully complied with the Commission’s order, and further compliance under this order is no longer necessary. Staff recommends the Commission waive the suspended \$5,000 penalty amount and close the docket.

Sincerely,

Mayo, Sean (UTC)
