DOCKET UE-250727

ORDER 06

APPROVING PAYMENT

**BACKGROUND**

- 1 On September 27, 2025, PacifiCorp d/b/a Pacific Power & Light Company (PacifiCorp or Company) filed a Petition for Authority to Allow Parent Company to Maintain a Common Equity Percentage of Less Than 44 Percent (Petition) with the Washington Utilities and Transportation Commission (Commission).
- 2 On January 21, 2026, the Alliance of Western Energy Consumers (AWEC) filed a Request for Case Certification and Notice of Intent to Request a Fund Grant, as well as a Proposed Budget for Fund Grant, requesting \$10,000 from PacifiCorp's Customer Representation Sub-Fund. AWEC stated that the funding grant would partially offset the costs of staff and operational support and expert witness fees required for participating in the proceeding. AWEC further explained that it planned to investigate PacifiCorp's Petition and to assess the impact that the Petition may have on its members, as well as to assess and investigate issues as raised by other parties. On January 26, 2026, the Commission granted case certification status to AWEC and approved AWEC's proposed budget of \$10,000.<sup>1</sup>
- 3 On January 28, 2026, the Commission issued Order 04 Final Order in this proceeding.
- 4 On February 12, 2026, AWEC filed a Request for Payment of Sub-Fund Grant, requesting \$10,000 from the PacifiCorp Customer Representation Sub-Fund.

## DISCUSSION

- 5 Pursuant to Revised Code of Washington (RCW) 80.28.430, a gas or electrical company must, upon request, enter into funding agreements with organizations that represent broad customer interests. The Commission is directed to determine the amount of financial assistance, if any, that may be provided to any organization; the way the financial assistance is distributed; the way the financial assistance is recovered in a gas or electrical company's rates; and other matters necessary to administer the agreement.<sup>2</sup>
- 6 On November 19, 2021, the Commission issued a Policy Statement on Participatory Funding for Regulatory Proceedings (Policy Statement).<sup>3</sup> The Commission provided "high-level guidance regarding the amount of financial assistance that may be provided to organizations, the manner in which it is distributed to participants and recovered in the rates of gas or electrical companies, and other matters necessary to administer agreements."<sup>4</sup> The Commission indicated that the Policy Statement was an evolving document, stating "as we implement the first round of funding arrangements, we look forward to what we expect will be many lessons learned. These lessons will inform future iterations of Washington's participatory funding program, including the possibility of a rulemaking to codify best practices into Commission rules."<sup>5</sup>
- 7 On February 24, 2022, the Commission issued Order 01, Approving Agreement with Modifications (Order 01).<sup>6</sup> The Commission approved the First Interim Agreement filed by the parties on February 14, 2022, subject to certain modifications, and adopted the First Interim Agreement as Attachment A to Order 01. Among other points, the Commission clarified that it is not bound by the timeframes set forth in the Interim Agreement.<sup>7</sup> On February 9, 2023, the Commission issued Order 02, Approving Agreement Subject to Condition; Requiring Refiling of Modified Agreement (Order 02).<sup>8</sup> Order 02 approved of

the Second Interim Agreement, subject to condition, and required the parties to refile the agreement as modified by the Commission.

8 On April 11, 2025, the Commission issued Order 03, Approving Agreement; Subject to Conditions (Order 03), updating the agreement among the utilities subject to conditions (Third Interim Agreement).<sup>9</sup> The Commission ordered the utilities subject to Order 03, among other things, to submit a biannual filing in Docket U-210595 once every six months showing the fund balances and requests pending approval, with the first filings to be submitted no later than July 1, 2025.<sup>10</sup>

9 In relevant part, the Third Interim Agreement requires that a party seeking funding must submit a Request for Payment to the Commission. The Request for Payment must:

(a) Itemize the expenses, payees and hourly rates for amounts to be reimbursed, including billing details, and including separately identified amounts for consultant or expert witness fees and travel expenses per calendar year;

(b) Demonstrate that the expenses are reasonable and are directly attributable to issues and positions pursued on behalf of customers and consistent with the Participating Organization's proposed budget;

(c) Provide information sufficient to show that the Participating Organization has complied with any condition or requirement of the Fund Grant; and

(d) Specify whether the request for payment is for interim funding, in the case of Prioritized Organizations only, or final payment in full and indicate whether any approved budget amount may be released back to the applicable Consumer Access Sub-Fund because the Participating Organization does not intend to request payment for the full approved budget amount.<sup>11</sup>

10 The Commission may disallow, in whole or in part, a Request for Payment if it determines that the request seeks reimbursement for (a) expenses that are not Eligible Expenses,<sup>12</sup> or (b) expenses that are inconsistent with the Participating Organization's Consumer Access

Fund Grant or any conditions placed on the Consumer Access Fund Grant.<sup>13</sup> Upon authorization of payment, the Commission will make a determination on how to recover the Fund Grants from the various customer classes of the affected Participating Public Utility.<sup>14</sup> Additionally, the Commission may determine whether Fund Grants that were used to advocate positions on behalf of a broad cross-section of customers should be assessed against all customers or multiple customer classes, to fairly align the costs of the advocacy with the intended potential beneficiaries of the advocacy.

- 11 After considering the requirements set forth in Sections 7.1, 7.3, and 7.6 of the Third Interim Agreement, the Commission determines that AWEC's request for payment of \$10,000 should be approved. Funding will come out of the allocations for the year that the proposed budget is approved.
- 12 PacifiCorp must pay the above request for payment as directed within 30 days of the entry of this Order.<sup>15</sup>
