4. NWEC is a non-profit organization under section 501(c)(3) of the Internal Revenue Code. NWEC's primary purpose is to promote an energy future that is clean, reliable, affordable, and equitable. NWEC provides technical and policy leadership on energy issues in this region, and seeks to promote the development of renewable energy, energy conservation, and affordable energy services. Due to its historic and ongoing work with utility companies and others to achieve these goals, NWEC possesses a substantial interest in the outcome of this proceeding. NWEC has a special interest in this proceeding for the following reasons, including but not limited to: 1) members of NWEC have a direct and substantial interest in Avista's request for rate changes; 2) the proposed rate changes could impact Avista's performance related to implementation of Washington's climate and clean energy policies; 3) the proposal could impact Avista's ability to equitably distribute costs and benefits of providing energy services to customers; and 4) the proposed rate change and plan could impact issues related to customer-side resources, distribution system investment, energy efficiency assistance and other affordability issues for low and moderate income customers.

5. In each of these areas NWECC intends to focus its participation on examining whether Avista's filing is fair, just, reasonable and sufficient, and has not yet taken positions with respect to the matters in controversy. NWECC intends to examine these and other issues in this proceeding.
6. NWECC offers this process considerable expertise in the areas of resource planning, industry structure, and economic and policy analysis. NWECC has participated in numerous rate cases, mergers, resource planning, and other similar proceedings in Washington, Oregon, Idaho, and Montana.
7. The NWECC has no intention of unreasonably broadening the issues, burdening the record, or delaying the proceeding through their intervention.
8. It is in the public interest to allow NWECC to intervene in this proceeding.
9. For the foregoing reasons, NWECC respectfully petitions the Commission for leave to intervene in this proceeding.

Dated this 14th day of February 2024.

Respectfully submitted,

/s/ F. Diego Rivas
