Subject: Docket No. UT-073015

Dear Ms. Washburn:

Pursuant to WAC 480-123-060, U. S. Cellular Corporation ("USCC") hereby submits one copy of its 2006 WA FCC Complaints, 2006 WA AG Complaints, and updated Exhibit K to supplement its annual recertifications and reports filed July 30, 2007. USCC was also asked to confirm Exhibit B to its report, the outage report. This request is still being investigated. We hope to have confirmation of or an update to Exhibit B by the middle of next week.

Please note that paper copies of all confidential portions of the report are copied on yellow paper, designated on each page as "confidential Per WAC 480-07-160," and contained in a sealed envelope marked "Confidential Per WAC 480-07-160." For the electronic version of this filing, each electronic file contains, as part of the file name, the word "CONFIDENTIAL." Additionally, each page in the electronic file is labeled "Confidential Per WAC 480-07-160."

Pursuant to RCW §80.04.095 enclosures designated as "confidential" contain valuable commercial information, including trade secrets and confidential marketing, cost, or financial information, or customer-specific usage and network configuration and design information. Accordingly, pursuant to RCW §80.04.095 such information should not be subject to inspection or copying under RCW Chapter 42.56. Moreover, the records designated as "confidential" contain valuable formulae, designs, and research data, the disclosure of which would produce private gain and public loss and should be exempt from public disclosure pursuant to RCW 42.56.270(1).
