)	REGARDING MCMIS
)	RECORD
)	

I, RICHARD L. SMITH, under penalty of perjury under the laws of the State of Washington, declare as follows:

1 I am over 18 years of age, a citizen of the United States, a resident of the State of Washington, and competent to be a witness.

2 I am a law enforcement veteran, with 23 years of service as a Washington State certified police officer. Before retiring from law enforcement work, I worked as a police officer for the city of Sequim, as Chief of Police for the Hoh River Police Department, and as an operations patrol sergeant and as acting Under Sheriff for the Jefferson County Sheriff's Office.

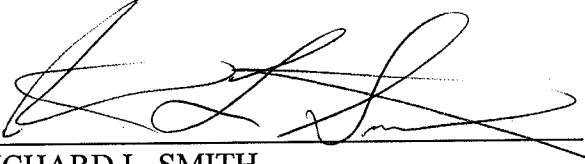

3 I am employed currently by the Washington Utilities and Transportation Commission (Commission) as a Transportation Safety Auditor-Lead in the Motor Carrier Safety Section. I have been employed at the Commission for one year nine months, in my current position. As a Transportation Safety Auditor-Lead, my responsibilities include researching and investigating motor carrier companies that are regulated by the Commission. As part of those duties, I regularly access the Motor Carrier Management Information System (MCMIS).

4 The MCMIS database is a secure database maintained by the Federal Motor Carrier Safety Administration (FMCSA). The MCMIS database includes roadside enforcement records, audits of internal company management records, and company self reporting information. I am FMCSA trained and certified to access the database and view records.

5 On December 21, 2009, at the request of David Pratt, I accessed the MCMIS database and viewed the company profile record for Freedom 2000 d/b/a Cando Recycling and Disposal (Freedom 2000). I created an electronic screen print of the company's complete record and placed the screen print in the body of an email that I sent to David Pratt at approximately 9:30 a.m. on December 21, 2009. A printout of this e-mail is attached to this declaration.

6 On January 4, 2010, I conducted an update review of MCMIS records for Freedom 2000. The MCMIS company history record for Freedom 2000 indicates that on January 4, 2010, the company filed a new Motor Carrier Identification 150 (MCS-150) application for a United States Department of Transportation number, and the record reflects the company's status as "active." I printed the MCMIS company history for Freedom 2000, and my printout is attached to this declaration.

DATED at Olympia, Washington, and effective this 4th day of January, 2010.

RICHARD L. SMITH
