**NOTICE REQUIRING STERICYCLE TO REFILE
PREFILED DIRECT TESTIMONY
(Due by October 10, 2012)**

Re: *In the Matter of the Application of WASTE MANAGEMENT, INC., d/b/a WM HEALTHCARE SOLUTIONS OF WASHINGTON For an Extension of Certificate G-237 For a Certificate of Public Convenience and Necessity to Operate Motor Vehicles in Furnishing Solid Waste Collection Services, Docket TG-120033*

TO ALL PARTIES:

On April 16, 2012, the Washington Utilities and Transportation Commission (Commission) issued Order 01 – Prehearing Conference Order in the above-referenced docket establishing a procedural schedule. On April 18, May 10, and August 10, 2012, the Commission issued notices revising the procedural schedule.

On October 1, 2012, counsel for Stericycle of Washington, Inc., (Stericycle) filed its prefiled direct testimony in accordance with the current procedural schedule. Some of the documents included in that filing are marked “confidential,” including exhibits MP-8, MP-14, and JR-2. No document may be filed as “confidential” in this docket, and the designation of “confidential” is inaccurate and creates potential confusion in the Commission’s records. Accordingly, Stericycle must refile these exhibits without any designation of confidentiality.

NOTICE IS GIVEN That Stericycle must identify all documents with any notation or designation of “confidential” that were submitted as part of Stericycle’s prefiled direct testimony and exhibits filed on October 1, 2012, and Stericycle must refile those documents without any notation or designation of “confidential” by October 10, 2012.
