Re: Docket No. UT-960323
Request for Approval of Amendments to the Interconnection Agreement between
Qwest Corporation and MCI WorldCom Communications, Inc.

Dear Ms. Washburn:

In accordance with the Interpretive and Policy Statement issued on June 28, 1996 in Docket No. UT-960269, please find enclosed an original and two (2) copies of the Unbundled Dark Fiber ("UDF") Amendment to the Interconnection Agreement between Qwest Corporation ("Qwest") and MCI WorldCom Communications, Inc., and the Line Sharing and Change of Law Amendment to the Interconnection Agreement between Qwest and MCI WorldCom.

The enclosed Amendments do not discriminate against non-party carriers. They are consistent with the public interest, convenience, and necessity. They are also consistent with applicable state law requirements, including Commission orders regarding interconnection issues. Qwest respectfully requests that the Commission approve these Amendments expeditiously.

The Order on Arbitration Procedure also requests that a proposed order accompany the filing. Qwest requests a waiver of that requirement, and is not providing one with this filing, as the Commission has, in the past, used its own format for Orders. If this is not satisfactory to the Commission, please contact me and I will forward a proposed order immediately.

Sincerely,

Elizabeth M. Weber
