Re: *WUTC v. Basin Frozen Foods, Inc.*  
Docket No. UG-020230 & UG-020232

Dear ALJ Schaer:

This letter is sent to point out a typographical error in the Settlement Agreement filed November 25, 2002 in the above dockets. In two instances in paragraph 31, the date February 1, 2003 is stated as the date by which the proposed penalty would be paid in full. In fact, the date should be February 1, 2004, not February 1, 2003.

I contacted Mr. Weber, President of Respondent Basin Frozen Foods, Inc. and pointed out this error. He agreed the date should have been February 1, 2004. He authorized me to make that representation to the Commission in this letter.

I currently plan to address this matter to the Commission at the December 12, 2002 hearing. Staff is willing to do whatever is necessary to formally correct this error.

We regret the error. Thank you for your attention to this matter.

Very truly yours,

DONALD T. TROTTER  
Senior Counsel

Cc: Kevin Weber, President  
Basin Frozen Foods, Inc.
