Dear Mr. ffitch:

The Commission has received your petition for reconsideration or clarification of the Commission's open meeting decision and its order in Docket No. UT-030939, relating to a request by Qwest for exemption from certain notification requirements.

We have circulated the petition to the Commissioners, who decide whether to take up such matters at an open meeting. No Commissioner asked that the petition be set for consideration. Therefore, the matter will receive no further review at the Commission, and you may consider the matter closed.

Sincerely,

CAROLE J. WASHBURN
