RE: *In re Application TC-143864 of Northwest Smoking & Curing, Inc. d/b/a SeaTac Direct*, Docket TC-143864

Dear Mr. Lauver:

Thank you for your letter of January 12, 2015. To clarify, the Notice of Response to Filings issued on January 8, 2015, was intended solely to notify interested parties that the Commission declined to schedule a brief adjudicative proceeding in this docket because no existing carrier claims to provide the same service the applicant seeks to provide. The Notice did not in any way dispose of the comments filed by you or other stakeholders. Your comments were forwarded to Regulatory Services Staff for analysis of the issues you raised during the evaluation phase of the application process. Thank you for your participation in this docket.

Sincerely,

Steven V. King  
Executive Director and Secretary
