Re: WUTC v. Avista Corp. d/b/a Avista Utilities
Dockets UE-200900, UG-200901, and UE-200894 (Consolidated)

Dear Mr. Johnson:

This letter is to advise that the Alliance of Western Energy Consumers (“AWEC”) intends to strike Section IV of AWEC Exhibit BGM-1T, page 25, line 13 – page 27, line 14, at the scheduled Hearing in the above-referenced matter. AWEC’s initial proposed modifications were based on an initial understanding of the treatment of these expenses, which understanding was clarified and corrected by additional detail contained within Avista’s Rebuttal Testimony.

As a result of the withdrawal of this testimony, AWEC’s proposed revenue requirement reduction is modified for both Avista’s electric and natural gas operations, as shown in Attachments A and B to this letter. Specifically, AWEC’s recommended reduction of \$10,828,108 for Avista’s electric operations and \$3,444,035 for Avista’s natural gas operations are withdrawn. Consequently, AWEC’s recommended revenue requirement reduction within Answer Testimony is now \$7,348,894 for the Company’s electric operations and \$3,262,228 for the Company’s natural gas operations.

If you have any questions, please do not hesitate to contact me.

Sincerely,

/s/ Brent L. Coleman
