RE: *Judd, et al., v. AT&T, et al.*
WUTC Docket No. UT-042022

Dear Ms. Washburn and Judge Rendahl:

On September 19, counsel for T-Netix informed the Commission that it had moved for clarification, in King County Superior Court, of that Court's summary judgment order. It enclosed a copy of its motion and explained that it was asking the Court to state that the primary jurisdiction referral to the Commission has been terminated. Complainants do not believe that the Commission is or should be required to dismiss the proceeding, as was made clear in Complainants' Response to T-Netix's Motion to Dismiss. Complainants/plaintiffs have responded to T-Netix's motion in King County Superior Court and enclose a copy of that filing so that the Commission may be apprised of the parallel proceedings in the trial court.

Please feel free to contact our office if you have any questions.

Very truly yours,

SIRIANNI YOUTZ
