SECTION 2 - GENERAL RULES AND REGULATIONS

2.2 RULE 2 - DEFINITIONS

"Access charge" means a rate charged by a local exchange carrier to an interexchange carrier for the origination, transport, or termination of a call to or from a customer of the local exchange carrier. Such origination, transport, and termination may be accomplished either through switched access service or through special or dedicated access service.

"Access line" means a circuit providing exchange service between a customer's standard network interface and a serving switching center.

"Affiliate" means an entity that directly or indirectly owns or controls, is owned or controlled by, or is under common ownership or control with, another entity.

"Ancillary services" means all local service features excluding basic service.

"Applicant" means any person applying to a telecommunications company for new service or reconnection of discontinued service.

"Average busy hour" means a time-consistent hour of the day during which a switch or trunk carries the most traffic. This definition is applied on an individual switch and an individual trunk basis.

"Basic service" means service that includes the following:

- Single-party service;
- Voice grade access to the public switched network;
- Support for local use;
- Dual tone multifrequency signaling (touch-tone);
- Access to emergency services (E911);
- Access to operator services;
- Access to interexchange services;
- Access to directory assistance; and
- Toll limitation services.

"Business" means a for profit or not-for-profit organization, including, but not limited to, corporations, partnerships, sole proprietorships, limited liability companies, government agencies, and other entities or associations.

"Business days" means days of the week excluding Saturdays, Sundays, and official state holidays.

SECTION 2 - GENERAL RULES AND REGULATIONS

2.2 RULE 2 - DEFINITIONS (Cont'd)

"Business office" means an office or service center provided and maintained by a company.

"Business service" means service other than residential service.

"Busy season" means an annual, recurring, and reasonably predictable three-month period of the year when a switch or trunk carries the most traffic. This definition is applied on an individual switch and an individual trunk basis.

"Call aggregator" means any corporation, company, partnership, or person, who, in the ordinary course of its operations, makes telephones available to the public or to users of its premises for telephone calls using a provider of operator services, including, but not limited to, hotels, motels, hospitals, campuses, and pay phones (see also pay phone service providers).

"Call detail" means:

- a. Any information that identifies or reveals for any specific call, the name of the caller, the name of any person called, the location from which a call was made, the area code, prefix, any part of the telephone number of any participant, the time of day of the call, the duration of a call, or the cost of a call;
- b. The aggregation of information in (a) of this subsection up to the level where a specific individual is associated with information on calls made to a given area code, prefix, or complete telephone number, whether that information is expressed through amount spent, number of calls, or number of minutes used and whether that information is expressed in monthly, less-than-monthly or greater-than-monthly units;
- c. The aggregation of the information in (a) of this subsection up to the level where a specific individual is associated with general calling patterns (e.g., peak, off-peak, weekends) or amounts spent expressed on a less-than-per-month basis;
- d. The number of calls that are answered or unanswered and information related to them that provides information by time of the day, day of the week, or by week or weeks up to, but not including, by month.

Call detail does not include information other than (a), (b) and (c) of this subsection compiled on a monthly basis. For example, it does not include the monthly amount spent on long distance calls or the monthly amount spent on ancillary services. It does include, for example, the monthly amount spent calling area code XXX, that a particular telephone number was called X times in a month; and the number of unanswered calls between the hours of 8:00 a.m. and 5:00 p.m. and the number of unanswered calls on Tuesdays.

SECTION 2 - GENERAL RULES AND REGULATIONS

2.2 RULE 2 - DEFINITIONS (Cont'd)

"Category of service" means local, data services such as digital subscriber line service, interexchange, or CMRS. Information about a customer's intraLATA and interLATA primary interexchange carrier freeze status is part of the local category.

"Central office" means a company facility that houses the switching and trunking equipment serving a defined area.

"Centrex" means a telecommunications service providing a customer with direct inward dialing to telephone extensions and direct outward dialing from them.

"Class A company" means a local exchange company with two percent or more of the access lines within the state of Washington.

"Class B company" means a local exchange company with less than two percent of the access lines within the state of Washington.

"Commercial mobile radio service (CMRS)" means any mobile (wireless) telecommunications service that is provided for profit that makes interconnected service available to the public or to such classes of eligible users as to be effectively available to a substantial portion of the public.

"Commission (agency)" in a context meaning a state agency, means the Washington utilities and transportation commission.

"Company" means any telecommunications company as defined in RCW 80.04.010.

"Competitively classified company" means a company that is classified as competitive by the commission pursuant to RCW 80.36.320.

"Customer" means a person to which the company is currently providing service.

"Customer premises equipment (CPE)" is equipment located on the customer side of the SNI (other than a carrier) and used to originate, route, or terminate telecommunications.

SECTION 2 - GENERAL RULES AND REGULATIONS

2.2 **RULE 2 - DEFINITIONS (Cont'd)**

"Customer proprietary network information (CPNI)" means:

- Information that relates to the quantity, technical configuration, type, destination, location, and amount of use of a telecommunications service, including call detail, and that is made available to the company by the customer solely by virtue of the customer-company relationship; and
- Information contained in the bills pertaining to telephone exchange service or telephone toll service received by a customer of a company; except that CPNI does not include subscriber list information.
- CPNI includes
 - call detail,
 - private account information, and
 - information that is not individually identifiable to any particular customer.

(T)

(T)

"Discontinue; discontinuation; discontinued" means the termination of service to a customer.

"Drop facilities" means company-supplied wire and pedestals placed between a premises and the company distribution plant at the applicant's property line.

"Due date" means the date an action is required to be completed by rule or, when permitted, the date chosen by a company and provided to a customer as the date to complete an action.

"Emergency response facility" means fire stations, hospitals, police stations, and state and municipal government emergency operations centers.

"Exchange" means a geographic area established by a company for telecommunications service within that area. ✓

"Extended area service (EAS)" means telephone service extending beyond a customer's exchange, for which the customer may pay an additional flat-rate amount per month. ✓

"Facility or facilities" means lines, conduits, ducts, poles, wires, cables, cross-arms, receivers, transmitters, instruments, machines, appliances, instrumentalities and all devices, real estate, easements, apparatus, property and routes used, operated, owned or controlled by a telecommunications company to facilitate the provision of telecommunications service.

SECTION 2 - GENERAL RULES AND REGULATIONS

2.2 RULE 2 - DEFINITIONS (Cont'd)

"Force majeure" means natural disasters, including fire, flood, earthquake, windstorm, avalanche, mudslide, and other similar events; acts of war or civil unrest when an emergency has been declared by appropriate governmental officials; acts of civil or military authority; embargoes; epidemics; terrorist acts; riots; insurrections; explosions; and nuclear accidents.

"Held orders" means orders for exchange access lines for which the company does not provide service by the due date.

"Interexchange" means telephone calls, traffic, facilities or other items that originate in one exchange and terminate in another. X

"Interexchange company" means a company, or division thereof, that provides long distance (toll) service.

"Interoffice facilities" means facilities connecting two or more telephone switching centers.

"InterLATA" is a term used to describe services, revenues, functions, etc., that relate to telecommunications originating in one LATA and terminating outside of the originating LATA.

"IntraLATA" is a term used to describe services, revenues, functions, etc., that relate to telecommunications that originate and terminate within the same LATA.

"Local access and transport area (LATA)" means a local access transport area as defined by the commission in conformance with applicable federal law.

"Local calling area" means one or more rate centers within which a customer can place calls without incurring long-distance (toll) charges. ✓

(T)
(T)

"Local exchange company (LEC)" means a company providing local exchange telecommunications service.

Issued: June 10, 2003

Effective: July 1, 2003

PAC-WEST TELECOMM, INC.

SECTION 2 - GENERAL RULES AND REGULATIONS

2.2 RULE 2 - DEFINITIONS (Cont'd)

"Major outages" means a service failure lasting for thirty or more minutes that causes the disruption of local exchange or toll services to more than one thousand subscribers; total loss of service to a public safety answering point or emergency response agency; intercompany trunks or toll trunks not meeting service requirements for four hours or more and affecting service; or an intermodal link blockage (no dial tone) in excess of five percent for more than one hour in any switch or remote switch.

"Missed Commitment" means orders for exchange access lines for which the company does not provide service by the due date.

(T)
(T)

"Order date" means the date when an applicant requests service unless a company identifies specific actions a customer must take in order to be in compliance with tariffs, price lists, or commission rules. Except as provided in WAC 480-120-061 and 480-120-104, when specific actions are required of the applicant, the order date becomes the date the actions are completed by the applicant if the company has not already installed or activated service.

When an applicant requests service that requires customer-ordered special equipment, for purposes of calculating compliance with the one hundred eighty-day requirement of WAC 480-120-112 (Company performance for orders for nonbasic service) the order date is the application date unless the applicant fails to provide the support structure or perform other requirements of the tariff or price list. In the event the applicant fails to provide the support structure or perform the other requirements of the tariff or price list, a new order date is established as the date when the applicant does provide the support structure or perform the other requirements of the tariff or price list.

"Pay phone" or "pay telephone" means any telephone made available to the public on a fee-per-call basis independent of any other commercial transaction. A pay phone or pay telephone includes telephones that are coin-operated or are activated by calling collect or using a calling card.

"Pay phone services" means provision of pay phone equipment to the public for placement of local exchange, interexchange, or operator service calls.

"Pay phone service provider (PSP)" means any corporation, company, partnership, or person who owns or operates and makes pay phones available to the public.

Pac-West Telecomm, Inc.
Price List

SECTION 2 - GENERAL RULES AND REGULATIONS

2.2 RULE 2 - DEFINITIONS (Cont'd)

"Payment agency" means a physical location established by a local exchange company, either on its own premises or through a subcontractor, for the purpose of receiving cash and urgent payments from customers.

"Person" means an individual, or an organization such as a firm, partnership, corporation, municipal corporation, agency, association or other entity.

"Prior obligation" means an amount owed to a local exchange company or an interexchange company for regulated services at the time the company physically toll-restricts, interrupts, or discontinues service for nonpayment.

"Private account information" means customer proprietary network information that is associated with an identifiable individual.

"Proprietary" means owned by a particular person.

"Provision" means supplying telecommunications service to a customer.

"Public access line (PAL)" means an access line equipped with features to detect coins, permit the use of calling cards, and such other features as may be used to provision a pay phone.

"Public safety answering point (PSAP)" means an answering location for enhanced 911 (E911) calls originating in a given area. PSAPs are designated as primary or secondary. Primary PSAPs receive E911 calls directly from the public; secondary PSAPs receive E911 calls only on a transfer or relay basis from the primary PSAP. Secondary PSAPs generally serve as centralized answering locations for a particular type of emergency call.

"Residential service" means basic service to a household.

"Restricted basic service" means either the ability to receive incoming calls, make outgoing calls, or both through voice grade access to the public switched network, including E911 access, but not including other services that are a part of basic service.

"Results of operations" means a fiscal year financial statement concerning regulated operations that include revenues, expenses, taxes, net operating income, and rate base. The rate of return is also included as part of the results of operations. The rate of return is the percentage of net operating income to the rate base.

"Service interruption" means a loss of or impairment of service that is not due to, and is not, a major outage.

SECTION 2 - GENERAL RULES AND REGULATIONS

2.2 RULE 2 - DEFINITIONS (Cont'd)

"Service provider" means any business that offers a product or service to a customer, the charge for which appears on the customer's telephone bill.

"Special circuit" means an access line specially conditioned to give it characteristics suitable for handling special or unique services.

"Standard network interface (SNI)" means the protector that generally marks the point of interconnection between company communications facilities and customer's terminal equipment, protective apparatus, or wiring at a customer's premises. The network interface or demarcation point is located on the customer's side of the company's protector, or the equivalent thereof in cases where a protector is not employed.

"Station" means a telephone instrument installed for the use of a subscriber to provide toll and exchange service.

"Subscriber list information (SLI)" means any information:

- Identifying the listed names of subscribers of a company and those subscribers' telephone numbers, addresses, or primary advertising classifications (as such classifications are assigned when service is established), or any combination of listed names, numbers, addresses, or classifications; and
- That the company or an affiliate has published, caused to be published, or accepted for publication in any directory format.

"Support structure" means the trench, pole, or conduit used to provide a path for placement of drop facilities.

"Telecommunications-related products and services" means:

- The offering of telecommunications for a fee directly to the public, or to such classes of users to be effectively available directly to the public, regardless of the facilities used; or
- Services offered over common carrier transmission facilities which employ computer processing applications that act on the format, content, code, protocol, or similar aspects of the subscriber's transmitted information, provide the subscriber additional, different, or restructured information, or involve subscriber interaction with stored information; or
- Equipment employed on the premises of a person to originate, route, or terminate telecommunications.
