Re: Comments Docket T-101661 and Docket A-042090

Commissioners,

I am a user of Whidbey Seatac Shuttle and do not understand your recent attempt to deny them the ability to recover spiking fuel costs via fuel surcharges. The shuttle is an integral part of our transportation system here on the island providing quality, reliable service without a fare increase for the past six years. Fuel surcharges permit them to provide a stable fare in an environment of increasing costs. I urge you to consider the value this service provides.

Sincerely,
