Dear Ms. Zakrzewski,

The attached table summarizes the population of services within each mitigation category based upon the risk results.

There are 2 services that fall within the Priority Replacement mitigation category and 10 services that fall within the Scheduled Replacement mitigation category based upon the 2016 model run. PSE is targeting to have the Priority Replacement service replaced by December 31, 2017.

PSE appreciates the opportunity to continue to work with the City of Bellevue on this program. Should you have any additional questions, please call me at (425) 462-3923.
