Re: *WUTC v. Puget Sound Energy, Inc.*  
Docket No. UE-070565

Dear Ms. Washburn:

By letter dated April 23, 2007, Puget Sound Energy, Inc. replied to the Response of Commission Staff to Motion for Extension of Time to File General Rate Case. The Company states that it will not file another power cost only rate case (PCORC) prior to the filing of its next general rate case.

The Company's reply does not resolve the matter since Staff argued that the Company should not be allowed to file another PCORC until its next general rate *is completed*. See, Staff Response at ¶¶ 2 and 5. Thus, not only would the Company be prohibited from filing another PCORC before the next general rate case is filed, it would also not be allowed to file another PCORC while the next general rate case is pending. The reasons for this condition are stated in the Staff Response and will not be repeated here.

Sincerely,

ROBERT D. CEDARBAUM  
Assistant Attorney General
