Re: Docket No. UT-960323  
Replacement Exhibit A to the Line Sharing and Change of Law Amendment to  
the Interconnection Agreement between Qwest and MCI WorldCom

Dear Ms. Washburn:

On March 11, 2003, Qwest transmitted a Request for Approval of Amendments to the Interconnection Agreement between Qwest Corporation and MCI WorldCom, Inc. Accompanying that request was an original and two copies of Line Sharing and Change of Law Amendment to the Interconnection Agreement between Qwest and MCI WorldCom. Unfortunately, Exhibit A to the Interconnection Agreement was an older version of the document and did not contain the current rates. Please find enclosed a replacement Exhibit A for insertion into the documents currently at the Commission. Please note that MCI WorldCom is in agreement with the submission of this replacement Exhibit A. Thank you.

Sincerely,

Elizabeth M. Weber
