RE: Remote Control Locomotive (RCL) Operations Rulemaking
Docket No. TR-021465

TO ALL INTERESTED PERSONS:

The Commission is pleased to enclose WAC 480-62-125 and WAC 480-62-320, the Commission's rules relating to Remote-Control Locomotive Operations, developed from the rulemaking activity in Docket No. TR-021465.

Also enclosed is the Commission's Order Amending Rules Permanently. The Commission filed the Order with the Code Reviser on May 11, 2004. It will be effective on the 31st day following filing.

RCW 34.05.325 requires that the Commission prepare and provide to commenters a concise explanatory statement about an adopted rule.

In this docket, to avoid unnecessary duplications, the Commission has designated the discussion in the order as its concise explanatory statement, supplemented where not inconsistent by the staff memoranda presented at the adoption hearing and at the open meeting where the Commission considered whether to begin a rulemaking and whether to propose adoption of specific language. Together, the documents provide a complete but concise explanation of the agency's actions and its reasons for taking those actions. We include all of those documents for commenters' information.

Please direct any questions about the rules to Mike Rowswell of the Commission Staff at (360) 664-1265 or mrowswel@wutc.wa.gov.

Sincerely,

CAROLE J. WASHBURN
Executive Secretary
