**RE: Penalty Assessment UT-060977**

Dear Ms. Pittman:

A recent review of Washington Utilities and Transportation Commission (UTC) records revealed Global Tel\*Link Corporation (Global Tel\*Link) has an outstanding penalty in the amount of \$100. On July 5, 2006, the UTC issued a Notice of Penalties to Global Tel\*Link for violation of Washington Administrative Code (WAC) 480-120-382. WAC 480-120-382 requires competitive telecommunications companies to file annual reports with the UTC by May 1. The penalty assessment required Global Tel\*Link to either pay the penalty or ask for mitigation within 15 days. It did neither.

On October 16, 2006, the UTC sent Global Tel\*Link a letter informing it the penalty assessment was outstanding. Payment was requested by October 27, 2006, or the UTC would consider additional sanctions and would refer the matter to the Office of the Attorney General for collection.

**This is your final opportunity to respond.** If you do not respond by April 9, 2008, you may incur additional penalties, and the Commission may pursue its enforcement options in superior court.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact me at (360) 664-1193, or Sheri Hoyt, Compliance Specialist, Business Practices Investigations Section, by telephone at (360) 664-1149.

Sincerely,

SALLY BROWN  
Senior Assistant Attorney General
