BACKGROUND

- 1 On November 12, 2009, Harold LeMay Enterprises, Inc., d/b/a Rural Garbage Service (Rural or Company) filed with the Washington Utilities and Transportation Commission (Commission) revisions to its currently effective Tariff No. 13, designated as 2nd Revised Page No. 1, 1st Revised Page No. 15, 2nd Revised Page No. 20, 1st Revised Page 21, 1st Revised Page No. 24, 1st Revised Page No. 28, 1st Revised Page No. 30, 1st Revised Page No. 31, 1st Revised Page No. 32, and 1st Revised Page No. 33. On November 13, 2009, Rural filed substitute page designated as 1st Revised Page No. 30. On December 11, 2009, Rural filed substitute pages designated as 2nd Revised Page No. 1 and 1st Revised Page No. 30. On December 22, 2009, Rural filed a substitute page designated as 1st Revised Page No. 15. The purpose of the filing is to increase rates due to an increase in a disposal fee. The stated effective date is January 1, 2010.

- 2 On December 23, 2009, the Commission entered Order 01 that suspended the tariff revisions, allowed the revisions to go into effect January 1, 2010, on a temporary basis, subject to refund, and ordered the Company to file all documents required for a general rate case as provided in WAC 480-07-520 by March 1, 2010.

- 3 On February 19, 2010, the Company filed a letter requesting the Commission to extend the compliance date from March 1, 2010, to May 14, 2010, and requested a waiver of the 10-month suspension period under RCW 81.04.130 to accommodate the delay. The Company states that it needs additional time to prepare the work papers and schedules

required by WAC 480-07-520. Staff recommends the Commission approve the Company's requests.
