Lifeline

Lifeline ofrece un descuento en la factura mensual de telefonía móvil, para quienes cumplen con los requisitos.

Ahorra dinero con Lifeline

El servicio Lifeline cuesta sólo \$24.99 por mes, menos los descuentos que se apliquen según la asistencia federal y estatal que se ofrece en tu área. En este momento, puedes ahorrar hasta \$8.25 por mes con el descuento federal de Lifeline, e incluso más, si reúnes los requisitos para descuentos adicionales de Lifeline en tu estado.

Si vives en territorios tribales y cumples con los requisitos, podrías recibir la asistencia de Enhanced Lifeline para reducir el total de la factura de telefonía móvil y pagar hasta un mínimo de \$1.

Requisitos para Lifeline

Los requisitos varían según el estado. Si vives en un estado que no ofrece asistencia de Lifeline, es posible que reúnas los requisitos para recibir los beneficios federales de Lifeline si los ingresos de tu grupo familiar no superan el 135% de las Normas Federales de Pobreza (Federal Poverty Guidelines o FPG, por su sigla en inglés) o si participas en uno de estos programas:

- Asistencia médica Medicaid (no Medicare)
- Cupones para alimentos (Food Stamps)
- Ingresos complementarios de seguridad (Supplemental Security Income o SSI, por su sigla en inglés)
- Asistencia pública federal para vivienda pública (Federal Public Housing Assistance o FPHA, por su sigla en inglés), Artículo 8
- Programa de asistencia a hogares de bajos ingresos para gastos de energía (Low Income Home Energy Assistance o LIHEAP, por su sigla en inglés)
- Programa nacional de almuerzos escolares (National School Lunch Program o NSLP, por su sigla en inglés)
- Asistencia temporal a familias necesitadas (Temporary Assistance for Needy Families o TANF, por su sigla en inglés)

Se requiere que las clientas que buscan cumplir con los requisitos para obtener los beneficios del programa bajo las normas basadas en los ingresos proporcionen documentación escrita sobre los ingresos de su grupo familiar.

Si vives en territorios tribales, también podrías recibir los beneficios de Enhanced Lifeline si cumples con los requisitos anteriores o participas en uno de estos programas:

- Asistencia general de la Oficina para asuntos indígenas (Bureau of Indian Affairs o BIA, por su sigla en inglés)
- Asistencia temporal a familias necesitadas administrada a nivel tribal (Tribal Administered Temporary Assistance for Needy Families a Tribal TANF, por su sigla en inglés)
- Programa de almuerzos escolares administrado a nivel tribal (School Lunch Program a Tribal NSLP, por su sigla en inglés)
- Programa Head Start administrado a nivel tribal (con cumplimiento de los requisitos sobre ingresos)

Si vives en un estado que ofrece la asistencia de Lifeline, debes reunir los requisitos que se definen en el formulario

de solicitud de Lifeline y Link Up de dicho estado, que se puede consultar en <http://www.wireless.att.com/about/community-support/lifeline-link-up.jsp> o al llamar al 1-800-377-9450.

Importante: el cliente es responsable de notificar a AT&T cuando ya no cumple con los requisitos correspondientes para recibir los beneficios del Programa dentro de los cinco (5) días posteriores a tener conocimiento de tal inhabilitación.

Restricciones del programa

Sólo se puede recibir la asistencia de Lifeline en una sola línea de teléfono, con base en tu residencia principal, facturada a tu nombre. Podrás recibir los beneficios de Link Up solamente una vez en la misma dirección. Esos beneficios se podrán aplicar solamente en el cargo de activación, nunca en la compra del equipo. Tampoco se pueden usar los beneficios de Link Up para pagar cargos de activación anteriores al momento en que te inscribes en los programas Lifeline y Link Up.

Para inscribirte

Completa el formulario de solicitud de Lifeline y Link Up, y certifica que participas en uno de los programas gubernamentales seleccionados o que cumples con los requisitos necesarios. Envía la solicitud completa a:

AT&T

ATTN: Contract Services
1215 W. Cherry St.
Vermillion, SD 57069

Si no puedes tener acceso al formulario de solicitud en <http://www.wireless.att.com/about/community-support/lifeline-link-up.jsp>, llama al 1-800-377-9450 y te enviaremos uno por correo.

Se devolverán las solicitudes que no se reciban completas, sean ilegibles o no estén firmadas.

Link Up

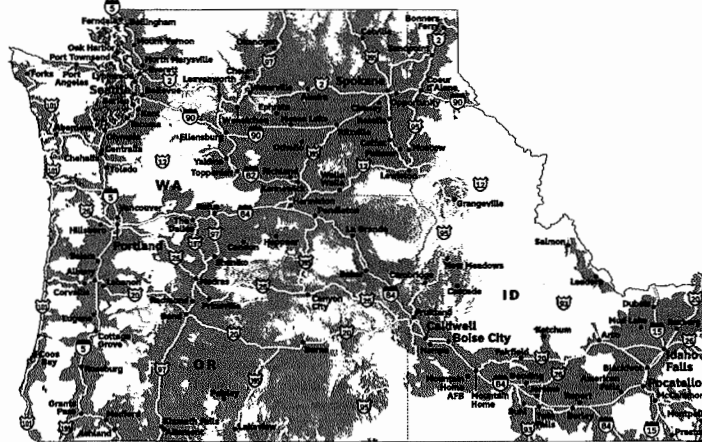

El programa Link Up ayuda a las personas que cumplen con los requisitos para recibir los beneficios de Lifeline a pagar el cargo de activación o los cargos (relacionados con la instalación) que se cobran al costo de \$36 correspondiente a Link Up.

Servicio Lifeline a sólo \$24⁹⁹ por mes

Incluye 300 minutos a cualquier hora, 1000 minutos de noche y de fin de semana*, y larga distancia a nivel nacional

*Es posible que se apliquen otros descuentos, según el subsidio federal y estatal correspondiente a Washington.

Área de cobertura de AT&T

En caso de tener preguntas o si deseas recibir información por correo, comunícate con un representante del servicio al cliente de Lifeline al 1-800-377-9450, de lunes a viernes de 10:00 a.m. a 7:00 p.m. (hora central).

Para los planes Lifeline y Link Up se requiere un teléfono GSM de AT&T.

La información que aparece en la pantalla del teléfono no indica la tarifa que se cobrará. Es importante revisar el mapa de cobertura para ver las áreas que se incluyen en el plan. El mapa muestra una aproximación de la cobertura al aire libre. El mapa puede incluir áreas en las que otras compañías no ofrecen servicios y es posible que represente el área para la cual se cuenta con licencia en lugar de una aproximación de cobertura. El área de cobertura real puede variar considerablemente de lo que muestran los gráficos del mapa por motivos del terreno, clima, folaje, edificios y demás construcciones, interferencia de la señal, equipo del cliente y otros factores. AT&T no garantiza la cobertura. Los cargos dependerán del lugar de donde se transmite y recibe la llamada, más no del lugar en donde se encuentra el suscriptor. La cobertura futura, en caso de representarse arriba, se basa en suposiciones actuales de planificación, aunque se encuentra sujeta a cambio y aún no se ha confirmado.

Los períodos de noche y de fin de semana se extienden de 9:00 p.m. a 6:00 a.m. de lunes a viernes, y sábados y domingos durante las 24 horas. Los minutos de uso utilizados en las llamadas de larga distancia en los Estados Unidos se descuentan del plan. No está permitida efectuar llamadas de larga distancia internacional. El costo de roaming es de \$0.25 por minuto y los minutos de uso se descuentan de los minutos incluidos en el plan. Se ofrece servicio de roaming internacional. No se pueden traspasar los minutos de mes a mes. Los minutos de uso que excedan la cantidad asignada en el plan se cobran a \$0.33 por minuto. Estos programas gubernamentales ofrecen ayuda para pagar el servicio telefónico y cargos relacionados a personas que cumplen con ciertos requisitos. AT&T Mobility ofrece estos programas en lugares limitados. Para determinar si AT&T Mobility ofrece los servicios de Lifeline y Link Up en el lugar de residencia principal del suscriptor, favor de comunicarse con un representante del servicio al cliente de Lifeline al 1-800-377-9450.

Lifeline

Lifeline offers you a discount on your monthly wireless bill, if you qualify.

Save Money with Lifeline

Lifeline service is just \$24.99 a month, which is then discounted depending on the federal and state support that's available in your area. Right now, you can save as much as \$8.25 each month with federal Lifeline discounting, and even more if you qualify for additional Lifeline discounts from your state.

If you live on Tribal Lands and qualify, you could get Enhanced Lifeline support, which can reduce your wireless bill to as little as \$1.

Qualifying for Lifeline

Requirements vary by state. If you live in a state that doesn't offer state Lifeline support, you may qualify for federal Lifeline benefits if your household income is at or below 135% of the Federal Poverty Guidelines (FPG), and you participate in any of these programs:

- Food Stamps
- Supplemental Security Income (SSI)
- Federal Public Housing Assistance (FPHA) (Section 8)
- Low Income Home Energy Assistance (LIHEAP)
- National School Lunch Program (NSLP)
- Temporary Assistance for Needy Families (TANF)

Customers seeking to qualify for program benefits under the income-based standards are required to provide written documentation of their household income.

If you live on Tribal Lands, you could also qualify for Enhanced Lifeline support if you meet the above requirements or participate in any of these programs:

- Bureau of Indian Affairs (BIA) general assistance
- Tribal Administered Temporary Assistance for Needy Families (Tribal TANF)
- Tribal Administered School Lunch Program (Tribal NSLP)
- Tribal Administered Head Start (meeting income qualifying standards)

If you live in a state that offers state Lifeline support, you must meet the criteria as defined in the state Lifeline and Link Up application form, which is available at <http://www.wireless.att.com/about/community-support/lifeline-link-up.jsp> or by calling 1-800-377-9450.

Please note: You are responsible for notifying AT&T when you no longer meet the applicable eligibility requirements for the Program within (5) days of becoming aware of such ineligibility.

Program Restrictions

You are eligible for Lifeline support on one phone line based at your principal residence and billed to your name. You can get Link Up benefits only once at the same address. Those benefits can only be applied toward your Activation Fee, never toward your purchase of equipment. Finally, you can't apply your Link Up benefits to any activation charges you paid prior to signing up for the Lifeline and Link Up programs.

Signing Up

Just complete the Lifeline and Link Up Application form and certify that you participate in a qualifying government program or otherwise meet the eligibility standards. Mail the completed application to:

Your phone's display does not indicate the rate you will be charged. Please review your coverage map for areas included or excluded in your plan. Map depicts an approximation of outdoor coverage. AT&T does not guarantee coverage. Charges will be based on the location of the site receiving and transmitting the call, not the location of the subscriber. Future Coverage: If depicted above, is based on current planning assumption but is subject to change and has not yet been confirmed.

**Annual Plan for Universal Service Support Expenditures for
October 1, 2010 through December 31, 2011¹⁰**

AT&T Mobility projects that it will receive [REDACTED] for its entire ETC designated area in Washington for January 1 – December 31, 2011.

As the Commission is aware, the amount of funding AT&T Mobility receives is dependent on a number of variables, including the per line support amount of the underlying ILEC and the number of AT&T subscribers that have service in a particular wire center. In addition, there are a number of matters currently pending before the FCC that, if adopted, could greatly impact the amount of funding available for CETCs. If the federal high cost support that AT&T Mobility receives is less than it currently anticipates, AT&T Mobility may reduce or eliminate some projects included in its plan for 2011.

In general the capital expenditures listed below increase the coverage, capacity, and reliability of AT&T Mobility's network in ETC designated areas in Washington. AT&T Mobility's focus for capital investment in 2011 is to fill in coverage gaps, increase the depth and capacity of the network, and increase reliability, thereby increasing the quality of service experienced by the customer. AT&T Mobility will also utilize some of the ETC support on technological upgrades which also provide increased benefits to the consumer.
