RE: *Washington Utilities and Transportation Commission v. Olympic Moving & Storage, Inc. d/b/a Olympic Movers*, Docket TV-122004

TO ALL PARTIES:

On July 3, 2014, the Washington Utilities and Transportation Commission (Commission) filed a complaint against Olympic Moving & Storage, Inc., d/b/a Olympic Movers (Olympic Movers). The complaint alleges that Olympic Movers committed 320 violations of Commission rules and state laws. The Commission convened a prehearing conference in this docket on September 22, 2014, and adopted a procedural schedule for this proceeding, including setting an evidentiary hearing for March 11, 2015.

On November 14, 2014, Commission Staff (Staff) notified the Commission that the parties had made substantial progress towards resolution of all disputed items but agreed more time is needed to work out the final details of the settlement. Staff requests, on behalf of the parties, that the remaining procedural schedule in this matter be suspended and that the parties be permitted to file a settlement agreement by December 5, 2014.

The Commission finds good cause to suspend the procedural schedule and therefore grants the parties' request. The parties must file either a settlement agreement and supporting documentation or a report on the status of their settlement negotiations by December 5, 2014.

THE COMMISSION GIVES NOTICE That the procedural schedule in this matter is suspended. By December 5, 2014, the parties must file either a settlement agreement and supporting documentation or a status report of their negotiations.
