ORDER GRANTING
APPLICATION

WWP is presently certificated for and is now providing gas service in Whitman County. The additional area in Whitman County requested is contiguous to the company's present area in Whitman County.

WWP is serving a number of commercial customers with a main extension. There is the potential of additional growth of commercial customers in the area.

This order makes no determination at this time as to the reasonableness of any gas pipeline facility construction to serve this addition to WWP's service area, but reserves the right of the Commission to determine such reasonable services and expenditures, together with the treatment of same, in any formal proceeding before the Commission dealing with WWP's results of operation for ratemaking purposes.

It appears that the application herein should be granted to satisfy the public convenience and necessity.
