Hi,

I'm with Central Kitsap School District and found out that Centurylink will not be providing us with our E911 services.

I'm in the process of looking for a new provider.

I have a few questions:

1. What is the deadline? May 9th per Centurylink
2. What will happen if we don't meet the deadline?
3. If the deadline has changed, will we still have the services and nothing has changed or do we lose capabilities?

This is all new to me and I'm trying to understand this.

Thank you,
Jan Vincent
