RE: Tariff Submittal, Original Tariff Number 5, Waste Connections of Oregon, dba Sanitary Disposal, Inc. G-173. Extension Request. Please do not re-docket TG-240111.

Dear Mr. Killip:

Staff requested that the Company submit a request to extend the effective date of the TG-240111 General Rate filing to May 1st, 2024. The Company originally requested an effective date of April 1, and properly notified customers. While the Company promptly complied with all Staff's data requests and Staff has not identified areas of concern, Staff has requested more time to complete their review. Therefore, the Company is reluctantly requesting this extension.

If you have any questions regarding this filing, please contact me at (360) 448.6954, or brian.vandenburg@wasteconnections.com.

Sincerely,

Brian Vandenburg
