**MEMORANDUM**

- 1 **NATURE OF PROCEEDING:** This proceeding involves a petition by Charter Fiberlink WA-CCVII, LLC (Charter), to arbitrate an interconnection agreement with Qwest Corporation (Qwest) under 47 U.S.C. § 252(b), Section 252(b) of the Telecommunications Act of 1996 (the Act).<sup>1</sup>
  
- 2 **PROCEDURAL BACKGROUND:** Orders 07 and 08 entered in this proceeding established the procedural schedule for this docket, including the July 16, 2009, deadline for the Commission to issue the final order on petitions for review. On July 8, 2009, the Administrative Law Judge contacted the parties to determine if they were amenable to extending for one week the deadline for issuing the Final Order on Petitions for Review given caseload and staffing constraints. Both parties agreed to the extension of the procedural schedule.

<sup>1</sup> Public Law No. 104-104, 101 Stat. 56 (1996).

- 3 **COMMISSION DECISION:** To accommodate the caseload and staffing constraints of the Commission, the deadline for the Commission's entrance of the final order on petitions for review is extended by one week to July 23, 2009.

DATED at Olympia, Washington, and effective July 10, 2009.
