**NOTICE EXTENDING THE DATE FOR  
CROSS-EXAMINATION EXHIBITS  
(Due by February 23, 2006)**

RE: *In the Matter of the Request and Application of Sprint Nextel Corporation,*  
Docket No. UT-051291

TO ALL PARTIES:

The Commission issued a Notice in this proceeding on January 31, 2006, setting a revised date of February 16, 2006, for the exchange of cross-examination exhibits. On February 6, 2006, the Commission issued a notice canceling the February 21, 2006, hearing date. Because the hearings will now begin on February 27, 2006, the Commission finds it appropriate to extend the date for filing and exchanging cross-examination exhibits.

**NOTICE IS HEREBY GIVEN That the filing and exchange of cross-examination exhibits is extended from Thursday, February 16, 2006, to Thursday, February 23, 2006. All other procedural dates remain unchanged.**

Sincerely,

DENNIS J. MOSS  
Administrative Law Judge
