Re: Docket No. UT-073034 - Petition for Approval of Stipulation re PID and PAP  
Qwest Exhibit K Compliance Filing

Dear Mr. Danner:

Enclosed for filing are an original and five copies of Qwest's compliance filing in accordance with Order 09 - Final Order Deferring Five and One-Half Year Review; Clarifying Effect Of AFOR Orders On QPAP. That order became final on January 5, 2009. Paragraph 62 of the Order requires Qwest to strike the following sentence in Section 16.3 of the QPAP: "Only the submeasures identified in Attachment 3 and payments will continue beyond six years of the PAP effective date, and these submeasures and payments shall continue until the Commission orders otherwise." This requirement, once implemented, eliminates all QPAP references to Attachment 3 and that attachment is therefore eliminated with this filing.

This filing includes updated "redlined" and "clean" versions of Exhibit K to Qwest's Statement of Generally Available Terms (SGAT). The compliance filing is being filed electronically pursuant to paragraph 15 of Order No. 2 and WAC 480-07-145(6). An electronic copy will be provided by e-mail, and paper copies will be delivered to the Commission by overnight mail and to all parties of record by U.S. Mail.

Sincerely,

A handwritten signature in black ink, appearing to read 'Lisa A. Anderl', written in a cursive style.
