RE: Information Filing - Docket No. UE-001952

Dear Mr. King:

In compliance with the Notice of Required Information Filing ("Notice"), issued in Docket No. UE-001952 on June 1, 2001, by Judge Dennis Moss, Puget Sound Energy, Inc. ("PSE") is filing an original and twelve (12) copies of the SECOND AMENDMENT TO SCHEDULE 449 SERVICE AGREEMENT that has been executed between Bellingham Cold Storage – Orchard (the "BCS-Orchard Amendment") and the SECOND AMENDMENT TO SCHEDULE 449 SERVICE AGREEMENT that has been executed between Bellingham Cold Storage – Roeder (the "BCS-Roeder Amendment"). The effect of the BCS-Orchard Amendment and the BCS-Roeder Amendment is to extend the respective existing 449 Service Agreements under the existing terms and conditions by five years until April 30, 2019.

As noted in the enclosed BCS-Orchard Amendment and the BCS-Roeder Amendment, PSE and the customers have agreed to update service information that is part of the respective Interconnection Agreements and Network Integration Transmission Service Agreements. The Interconnection Agreements and Network Integration Transmission Service Agreements arise from PSE's Open Access Transmission Tariff.

Please contact Lynn Logen at (425) 462-3872 for additional information about this filing. If you have any other questions please contact me at (425) 456-2110.

Sincerely,
